Earl E. Dudding, of Huntington, founder and president of the Prisoners' Relief Society, is in Washington this week to see Postmaster General

Mr. Dudding hopes to get the gov-ernment to take back into its employ this man, as well as other erring em-ployees of various branches of the fed-eral government. Mr. Dudding stated that up to the present time he has not succeeded in getting the government to reinstate any of its former em-ployees sentenced to prison.

Mr. Dudding organized the Prison ers' Relief Society after his release to secure a pension the case of Sid-from prison where he served a five ney Merrifield, of Fairmont; he has year sentence on a charge of man-slaughter. He had been a successful business man prior to his imprison-ment, but, when he attempted to reenter business circles after his release was given the cold shoulder in such a decided manner by former business associates, that he decided to spend the remainder of his life helping those in positions similar to the unfortunate one in which he found himself. The society has attracted a great deal of attention throughout the country and it is claimed that it has done very ef-fective work in smoothing the path of men who are turned back from penal servitude, and in caring for the families of men in prison.

Hon. W. P. Hawley, former state senator, was a visitor to the Capital this week returning today to his home in Bluefield.

Congressman Sutherland has taken up with the Navy Department the mat-ter of securing a refund for R. B. Parks, of Swiss, W. Va. Parks was recently discharged from the United States Navy his term of service ending when the vessel on which he was serving landed at Constantinople. He paid his transportation home from Constantinople to New York, and thinks he is entitled to reimbursement for the expenditure. Officials of the epartment assured Congressman atherland that the request would be looked after at once.

Denotes Kidney Weakness,

Simply by realizing that these istresses are often the onset or signals of kidney trouble it is well to get rid of them immediately by toning the kidneys.

The very best way to do this is by taking a little "A nu ri c" with the meals. In this way it is dissolved with the food and finally reaches the kidneys, where it has a tonic effect.

There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciation.

"Anuric" conquers uric acid as hot water melts sugar.

Some one daily offers his or her words of praise of "Anuric." Here is what Mr. Horace Farrsworeth has to say:—"For the last year I had neuralgia and rheumatism in the left shoulder, and for the past six months have not even been able to raise my arm and couldn't sleep at night, the pain was so great. Recently I decided to try 'Anuric.' I have been using the tablets but a short time, but the pain has almost left my shoulder and I can raise my arm and use it, which I couldn't do before. 'Anuric' is the only remedy I have found that has helped me, and I have used dosens of other medicines."
